

## Eliminate costly onsite service technicians.

Our remote global services team extends your own technical and IT staff so that problems can be solved before they occur. that helps ensure the stability and longevity of your investment.

- Increased staff satisfaction
- Predict and prevent system failures
- Improved clinical uptime and throughput
- Extended lifespan of equipment and your capital investment

**2000 – 2019**

**Expensive Onsite Technicians**

**2020 – Beyond**

**Network Operating Centers**
