

## Now is the time for AVoIP in your OR!

Fujifilm Systems Integration uses AV over IP (AVoIP) technology to enable numerous benefits including:

- **Collaboration Across Your Healthcare Enterprise**  
Seamless data exchange from and to your Operating Rooms (ORs)
- **Active Remote Monitoring**  
Proactive troubleshooting without entering the ORs
- **Cabling Simplicity**  
One universal cable to distribute data and audio/video across the network
- **Scalability and Adaptability**  
Easy expansion as imaging technologies evolve
- **Return on Investment**  
Cost of ownership for IP integration is much lower than legacy AV systems
- **4K Imaging and Beyond**  
Adopt full resolution 4K video signals with confidence and be prepared for future imaging solutions. Our solutions are 8K ready!

## Standardizing with AVoIP technology will bring your OR into the future... today!

### 2000 – 2019 Legacy A/V Technology

### 2020 – Beyond IP Network Standard
